EXHIBITORS

Register and enter all information for online entry
You will be prompted to UPLOAD photo, video, and bio as follows:

Exhibitor document

-Exhibitors will need to submit a brief BIO about themselves and their market project. This is a required field "Exhibitor Notes" to be completed with your online entry.

Photo & Video

-Entry requires that you upload 1 photo, in uniform and including your market animal
- A 1-2 minute video is optional (guidelines listed below)
-The information you provide is **safe and secure through Fair Vault** and only available to the reporting agency.

-You will be prompted to upload the photo and video separately (after you have entered online and completed the checked-out process)
-Choose your file location for the photo or video, select and click on "UPLOAD"
-Click the save and done button to complete these tasks, and continue to final checkout

Photo

Image file types allowed: jpeg, png, gif, bmp

Image file max storage size: 8 MB

A typical smartphone takes photos that are only 2-3 mb. 8 mb has proven to be more than enough for image files.

-Take the photo Landscape.
-Take your photos with the subject centered in the frame.
-Make sure there is space between the subject and the borders of your photo. (Do not make your subject the entire photo)

Video

1 to 2 minute video, to include the following

Name and Club/Chapter/Grange/Independent
Animal name and species
Animal weight (possibly projected weight goal?)
Details of project (daily tasks, costs, routines)
What you are learning - goals
Market your animal
Wear Uniform
Links to your Facebook (Club or Chapter approval if applicable)
Date of Auction
